Sightseeing Suggestion: Cape Town is considered as the Mother City of South Africa. Since 1652 it has been ruled by the Dutch (twice) the French and the English. Add to that the Eastern and African cultures introduced by slaves and migrants and you have one of the most diverse local populations that you could wish to find. Whilst the people are friendly and interesting, the scenery is spectacular. With Table Mountain framing the city and white beaches surrounding it, Cape Town has long been a summer vacation playground for South Africans and International folk looking for something unique. Culturally Cape Town is at its most active during the months from June to September when the silly season is over and people get down to doing what they do best, relaxing and enjoying the Cape Town lifestyle.

On arrival at Cape Town Airport, you will be met by our VIP arrival assistant at the exit ramp of your aircraft. They will assist you through Immigration and Luggage Claims to your driver in the arrivals hall. If your schedule requires an additional internal connecting flight, you will be helped with check-in to that flight and you will be met by your driver after luggage claim in the arrivals hall of your second stop.

Friday, January 7

Approximate travel time to your hotel 45-min

Today play **Pinnacle Point (tbc)**. Magnificently perched atop staggering cliffs, this windswept course three hours east of Cape Town and a half hour south of George marks a major addition to South Africa's already world-class golf scene. Six of the holes play across deep chasms to greens that seem to float in the Indian Ocean. The yawning ravines and distant horizons can make 150-yard shots look like twice that length. On the par-four eighth, tee and green sit on opposing bluffs; big hitters can attempt an all-or-nothing carry with the hope of having an easy wedge in, or play it safe by bailing out left and facing a much longer approach. Throughout the layout, the architects wisely designed large, fairly flat greens that yield plenty of sensible pin placements and give golfers who have run a gauntlet just to get to the green a bit of a break.
