Today play **The European Club (tbc)** at Brittas Bay. Tucked amid tumbling dunes 30 miles south of Dublin, the European Club has been appreciated from the time it opened in 1987 as one of Ireland's finest links courses. The majestic layout features massive dunes, the longest green in the world (127 yards, No. 12) and the unique delight of a 20-hole round, offering an extra pair of par-3s to enhance the experience. The 7th has been ranked among the top 100 holes in the world. It's a 470-yard par-4 set on a sandbank through a bed of reeds with a burn right, beyond which are a hundred acres of unspoiled links land, and towering dunes left. Tiger Woods, Rory McIlroy and Padraig Harrington have played here and enjoyed the course because it demands both solid ballstriking and sound strategy. As no caddies are offered at the European Club your green fee is inclusive of a shared golf cart.

Today play **Co Louth Golf Club (tbc)**. Found along the Irish Sea 40 minutes from Dublin's airport, County Louth "or Baltray" is one of Ireland's hidden gems. It was founded in 1892 but the essence of the layout was opened in 1938 as a Tom Simpson/Molly Gourlay design that has now been stretched to 7,031 yards. Simpson dotted the 190-acre property with only 50 bunkers, allowing the gorse and hilly terrain that borders the fairways to serve as its natural defense. There are no weak holes here and no two are alike. Better still, these greens are routinely among the best in the country. The club has hosted multiple Irish Opens and is a regular among Ireland's top 10.

Today play at historic **Portmarnock (tbc)**. Portmarnock Golf Club is the undisputed leading links in Dublin, found only 10 miles from the airport. It is also recognized as one of the finest in the world regularly listed among the top 50. The Irish Open has played here nearly 20 times along with the Walker Cup, the Irish Amateur Close Championship and the British Amateur Championship. Found on 500 acres of a sandy peninsula facing the Irish Sea, the club opened in 1894 with nine holes before nine more were added two years later forming the championship layout played today. The site is fairly flat without dramatic dunes which produces a predictable golf course where nothing is manmade. This along with consistently true greens has endeared the course to many over the years.
