Today play **Cape Kidnappers (tbc)**. Renowned architect Tom Doak's first project outside of the U.S.A., Cape Kidnappers is perched on fingers of land nearly 500 feet above Hawke Bay, this vertigo inducing course, creased by ravines and patrolled by gannets, belongs more to heaven than earth. It is seaside golf at its finest, you'll hit heroic shots over the tops of tea trees, and play cautiously along the edges of deep ravines, every hole has a view of the Bay. Enjoy your game and enjoy the setting. You will never play golf somewhere like this again.

Golf today at the **South Course at Te Arai Links (tbc)**. The South Course was designed by world renowned golf architects Coore & Crenshaw. It is a uniquely special site for golf, comprised of sand dunes and landforms sculpted by the wind, adjacent to the sea. Te Arai's landforms vary from heaving sand ridges and meandering valleys to rumpled contours reminiscent of the classic seaside links on which the game began. These contours are the foundation and inspiration for the golf holes of Te Arai Links. The holes are as varied in appearance and character as the land itself. There are highly individualistic, some might even say, quirky holes like the shortish par fours at three, six and sixteen, each reflecting the drama and unique character of the landforms that created their concepts. There are more traditional yet equally dramatic holes like the inland second, the tenth and eleventh; and there are the visually spectacular seaside holes at seven, eight, nine and fifteen through eighteen. There are lengthy holes and finesse holes. There are holes with varying shapes and sizes, with character and golf strategic are based upon the natural contours. The South Course at Te Arai Links has sixteen ocean view golf holes and eight holes bordering directly on the sea making it a photogenic and visually stunning golf course.
