

PLAY THE GAME. SEE THE WORLD. SM

International golf travel has never had it this good. Exceptional courses compliment nearly every destination. Mike Keiser (Bandon Dunes) is working his magic again in eastern Canada on Cape Breton Island at **Cabot Links** (already world #75 by GOLF.com) and now with a second course **Cabot Cliffs**. **Australia** is more attractive than ever which is high praise given its home to a collection of classics including **Royal Melbourne** (#12), **New South Wales** (#37) and **Kingston Heath** (#28). Now though there is **Cape Wickham** which is an island hop on the way to **Tasmania** for **Barnbougle Dunes** (#36) and **Lost Farm** (#85). **South Africa** is home to dozens of deserving clubs, 8-10 like **Fancourt** and **Leopard Creek** and **Royal Cape** are must-plays before, during or after a safari. **Italy** is on a roll thanks to a pair of impressive new resorts in Sicily and it's over-the-top-golf on the **Arabian Peninsula** where our golf cruise includes play in Abu Dhabi at **Saadiyat Beach** and at the **Emirates Golf Club** in Dubai. Finally, and recognizing we are particular about the golf, our 2017 Escorted Tour of **Thailand, Cambodia** and **Vietnam** includes *eight rounds* and it could have been ten.

We are uniquely qualified to provide the most complete collection of both tours and cruises. By land, we arrange custom itineraries to twelve of the world's most desirable destinations for parties of 2 to 102 enjoyed by golfers and non-golfers alike. Our experts will assist with every aspect including your air. You can also join a group for an Escorted Tour with a fixed and fully managed itinerary for parties of 20-24. By sea, **PerryGolf Cruising** offers all-inclusive voyages on board the 690-guest ocean liners of **Azamara Club Cruises**, the 112-guest mega-yachts of **SeaDream Yacht Club** and the 8 – 18 guest hotel river barges of **European Waterways**. We sail throughout the year beginning with the **Caribbean, New Zealand** and **Australia** in winter then the **British Isles** including attendance to **The Open**, the **Mediterranean**, the **Arabian Gulf** and the **Baltic Sea** spring to fall.

PerryGolf proudly remains the host of choice for the **British Isles** where the unrivalled access we provide to guaranteed play on the **Old Course** makes more dreams a reality than any other operator. Our fleet of VIP Coaches with Concierge Drivers continues to define the standard for comfort and convenience.
