AILSA AT TRUMP TURNBERRY BY GARY LISBON

## Play The **Game**. See The **World**.<sup>SM</sup> 2018 / 2019

Your choices for international golf travel continue to grow by land and sea. We've added Argentina which will make the most **Escorted Tours** we've offered at one time - 17 - also including Scotland, Italy, Southeast Asia, Australia, New Zealand, South Africa, Portugal & Spain. Our fixed itinerary programs are fully managed for parties of 24 - 30. All luggage and golf equipment is handled for you, various meals and sightseeing admissions are included. These 10 - 14 night schedules are an excellent occasion for meeting like-minded new friends.

There are 22 **PerryGolf Cruises** scheduled through 2019 with more to come. Our relationships with Azamara Club Cruises and SeaDream Yacht Club are polished operations for groups that range from 50 to 150.

In January and February we're in New Zealand, Australia and the Caribbean. In the spring, we sail Southeast Asia disembarking in Tokyo, along with a rare domestic program for us but clearly in our wheelhouse: great golf at Kiawah and Bermuda's Mid-Ocean plus optional attendance to the 2019 Masters on Sunday. Summers find us in the Baltics, throughout the Mediterranean and always in the British Isles including a day at The Open Championship. Our Arabian Gulf cruise onboard the 690-guest *Azamara Quest* sails at the end of the year to a one-of-a-kind wonder where you will see what great imagination and unlimited resources can achieve.

The **Custom Tours** we arrange to eleven of the world's most memorable destinations continue to define our business particularly in Scotland, England, Ireland and Australia. We are uniquely qualified to provide every aspect of any tour - including international air - for parties of 2 to 102. As an inaugural member of the St Andrews Links Trust's new "**Authorised Provider**" program, our longstanding position to arrange guaranteed play on the Old Course is expanding, but note, over the recent years we have seen extra interest in the Old Course, so if St Andrews is key to your schedule ideally you'll want to have your plans in place by the end of November. The same is true for Muirfield.
