2018 / 2019

Your choices for international golf travel continue to grow. We've added Argentina which will make for the most **Escorted Tours** we've ever offered at one time – 12 – including Scotland, Southeast Asia, Australia, New Zealand and South Africa. These fixed itinerary programs for parties typically of 24-30 have never been more popular. Everything is managed, all luggage and gear is handled for you, various meals and sightseeing admissions are included. These 10-14 night schedules are also an excellent occasion for making new, like-minded friends.

**PerryGolf Cruises** have tripled. We have nineteen voyages scheduled for 2018/2019. Our relationships with Azamara Club Cruises and SeaDream Yacht Club have been polished to perfection. The service standards are unsurpassed and the choices are extensive. In January and February we have the Caribbean and Australasia. In the spring, we sail to southeast Asia concluding in Hong Kong along with a rare North American voyage visiting the US East Coast and Bermuda. In the summer, we sail the Baltic Sea, British Isles and Mediterranean from one end to the other. Our Arabian Gulf cruise on board the 690-guest *Azamara Quest* sails in October and November to visit the fascinating Arabian Gulf states including extraordinarily dynamic Dubai and Abu Dhabi.

The **Custom Tours** we arrange to eleven of the world's most memorable destinations continue to define our business particularly in Scotland and Ireland. We are uniquely qualified to provide every aspect of a completely customized tour for parties of 2 to 102 including international air.

We are also pleased to announce that as a member of the St Andrews Links Trust's new "**Authorised Provider**" program our longstanding ability to provide outstanding access to guaranteed play on the Old Course, St Andrews will continue and grow.

You can find **Detailed Itineraries** and What's NEW at [www.PerryGolf.com/tours&cruises](http://www.PerryGolf.com/tours&cruises).

Warm Regards,

**Colin and Gordon Dalglish**
