
The Best of **New Zealand** Escorted 2018 Taupo, Napier and Queenstown

13 Nights | 7 Rounds | November 5-18

Tour **Pricing** Per Guest

Golfer: \$12,390 | Non Golfer: \$11,890 | Single Supplement: \$3,750

We begin in the beautiful, lake-front city of **Taupo** to enjoy three nights and two rounds of golf. Spending our first day here at leisure, we can enjoy the magnificent natural sights lining the edge of Australasia's largest lake. We will play challenging but memorable courses in this leg of the tour starting at **Wairakei Golf + Sanctuary**, where over 100 bunkers and water hazards provide both a visual beauty and challenge, then onto **The Kinloch Club**, designed by world renowned golfer and course designer, Jack Nicklaus.

Next, we drive just under two hours south-east to **Napier**, a coastal city on New Zealand's North Island, set amid the renowned wine-producing region of **Hawke's Bay**. Rebuilt after a 1931 earthquake, the city is known for art deco landmarks like the zigzag-patterned Daily Telegraph Building. Our time in the coastal city consists of learning about the rich art deco history, and indulging in the best of Napier's food and wine on a winery tour. The 'peak' of our time in Napier is golf at the breathtaking **Cape Kidnappers**, a Tom Doak designed golf course which is amongst the most spectacular courses in the world. The clever use of the layout is best seen from the air, where Doak has used the natural landscape to craft some magnificent, memorable and challenging golf holes. Spending our evenings in the luxury boutique hotel of **Mangapapa**, our time in Napier is short and sweet, enjoying three nights and one incredible round of golf.

From Napier, we transfer to the country's capital city, **Wellington**. Our time here includes two rounds of golf at world-renowned courses. We begin with a round at **Paraparaumu Beach Golf Club**, the magnificent course which hosted the New Zealand Open Championship on twelve occasions, as well as newly designed **Royal Wellington Golf Club**; a championship course in a stunning parkland setting, arguably one of the finest club courses and club house in New Zealand.

Our final leg of the tour consists of four nights in Queenstown, playing two rounds of golf at two of the best courses the South Island has to offer. Awe-inspiring mountains and picturesque fresh water lakes has made **Queenstown** a golf lovers' paradise. Our golf here includes **Jack's Point Golf Club**, a course bounded by the Remarkables mountain range and Lake Wakatipu and **Millbrook Resort's** spectacular par 72 championship golf course, designed by New Zealand's renowned master golfer, Sir Bob Charles. Staying at Hotel St Moritz, we won't have to wander far to be immersed by the beauty 'natural playground' of Queenstown.

If you enjoy combining your love of the game with a passion for travel, you'll find a lot to like about this escorted experience for a very limited size group of 20-24 golfers. Arrangements are in place for every aspect of this fully managed program including various meals, guided sightseeing, carts/caddies and local transportation. It is an excellent opportunity for couples and individuals to join a group of like-minded future friends!

Golf Schedule

Wairakei International

The best inland course in the country, it has been rated by Golf Digest in the top 100 in the world. It provides everything one could wish for in a golf course. The signature hole is the 615 par 5 14th, aptly named 'The Rogue', a very demanding hole. Located in the Lake Taupo region, the course winds through a wildlife sanctuary and features many different varieties of birds. Fairways lined with dense strands of tall trees. The golf course fits naturally among the bush.

Kinloch

Ideally situated in the central portion of the North Island, with spectacular views of Lake Taupo. At Kinloch, the land's characteristics feature fast-moving contours and knobs, and Nicklaus recreated that same look in the golf course. Many have described this links like layout as a course reminiscent of the coastal gems in Scotland, the birthplace of the game. No. 11 is a brilliant par-3, deep bunkers around a sliver of a green that widens from left-to-right.

Cape Kidnappers

Renowned architect Tom Doak's first project outside of the U.S., Cape Kidnappers is perched on fingers of land nearly 500 feet above Hawke's Bay. This vertigo-inducing course, creased by ravines and patrolled by gannets, belongs more to Heaven than Earth. It is seaside golf at its finest. You'll hit heroic shots over the tops of tea trees, and play cautiously along the edges of deep ravines. Every hole has a view of the Bay. Enjoy your game and enjoy the setting. It's unique!

Paraparaumu Beach Golf Club

Take a trip into the heart-and-soul of golf, feel the essence of the game from the opening tee shot until the final putt. Enjoy a course that has challenged generations of champions and also entertained the casual, recreational golfer. Every hole is solid, but the 13th, a difficult par-4 stands out as the stiffest test of all. Host of dozens of New Zealand Opens through the years, it's considered one of the greatest links courses in the Southern Hemisphere.

Royal Wellington

Millbrook Golf Resort

One of New Zealand's premier golf clubs. Perched beside the Hutt River, the club has hosted 7 NZ Open Championships since 1912 and in 2004 it became the first golf club in the country to receive royal status. Host of the 2017 Asia-Pacific Amateur Championship.

Jack's Point

The course is bounded by the Remarkables mountain range and Lake Wakatipu. It traverses through wetland to the lake edge encountering steep bluffs, indigenous vegetation and wildlife. It is designed to work with nature, not against it. Fairways are designed with minimal excavation and careful plantings to complement the natural environment, but also to give the golfer a fighting chance.
