
2021 Irish Links Golf Cruise

12 Nights | 6 Rounds | Dublin - Southampton | August 28 - September 9

PerryGolf is proud to partner with Azamara Club Cruises for an exceptional 12-night, 6-round golf and sightseeing voyage nearly circumnavigating the Emerald Isle onboard the outstanding 690-guest *Azamara Quest*. We sail from **Dublin** for 9 diverse ports including **Warrenpoint, Belfast, Londonderry, Donegal, Galway, Foynes, Cork, Waterford** and finally, **Southampton**. The golf is exceptional with six of Ireland's most treasured clubs including **Royal County Down, Royal Portrush, Portmarnock Links, Ballyliffin, Adare Manor** and **Old Head**.

We begin in **Dublin** with an overnight which is an ideal arrangement permitting more time to explore the multitude of cultural, historical and entertainment options in this iconic city. Be certain to reserve time for a visit to the Church of Christ Cathedral - and later, enjoy a pint of Guinness at one of the many pubs. **Southampton** at the end provides convenient access to the charms of **London**, from **Buckingham Palace** to the streets of Chinatown with myriad dining and evening entertainment options to satisfy any taste. The golf exceptional. **Royal Portrush** will be fresh from its return to the major championship stage, as host of The 148th Open. We'll also play world top five **Royal County Down** and the astounding **Old Head**, truly one of the most spectacular settings in the game.

Azamara Quest, which serves as our perfect floating boutique hotel and clubhouse, is a mid-sized luxury vessel nimble enough to access smaller ports yet large enough to provide every amenity you would expect, from a choice of fine dining and live entertainment, to a well-equipped gym and full-service spa. Forty-six suites are available with English butler style service which routinely book early. Sailing schedules often include extended stays in port plus the occasional overnight which allows for a truly immersive experience. Better still, these cruises are inclusive of a selection of beers, spirits, soft drinks, bottled water, specialty coffees plus wine with lunch and dinner along with gratuities for housekeeping, dining and bar staff. Azamara also proudly boasts two unique signature events on each cruise - an **AzAmazing EveningSM** and the **White Night** party - complimentary to all guests and consistently well received.

Every aspect of the golf program is fully managed by PerryGolf staff onboard and ashore. Your clubs will be ready and waiting at each venue. Tee times and pairings arranged and posted in advance. A convenient transportation schedule affords suitable time to warm up at the range, and to make the almost inevitable pro shop merchandise purchase. Caddies are included (excluding caddie gratuity) for all our guests. A friendly competition is staged at a selected course, with prizes awarded at our farewell gathering. A snack lunch is included on-course plus an open bar operates in the clubhouse at the conclusion of the round. Our typical guest list which brings together like-minded individuals generally numbers between 40 and 50, with new friendships invariably formed during each cruise. Many guests are golfing couples but an equal number are golfers travelling with a non-golfing spouse. Specially arranged onboard golf group social functions, to which all accompanying non-golfing spouses are most warmly welcomed, further enhances the club-like environment. The award winning **Azamara Shore Excursions®** program, offering a wide variety of off ship excursions, also caters beautifully to our non-golfing guests during days when our golfing excursions are underway.

The "2021 Irish Links Golf Cruise" is a genuinely full-featured vacation and a special opportunity to enjoy yourself in the company of like-minded new friends!

Overnight: In Port - Dublin, Ireland

AUGUST 29, SUNDAY: DUBLIN, IRELAND (IN PORT / 6:00PM)

GOLF: Today play **Portmarnock Links** designed by Bernhard Langer and opened for play in 1995. As a three-time winner of the Irish Open at nearby Portmarnock Golf Club and The Royal Dublin Golf Club it was fitting that Langer chose this magnificent setting to design his first links course set in the grounds of the old Jameson Estate of St. Marnocks. The course has played host to professional and amateur events including 2008 and 2009 Ladies Irish Open. *Note: Golf cart venue.*

SIGHTSEEING: This is one of our two overnights in port (Belfast is the other) which you'll appreciate because there is a lot to do in **Dublin**. A good place to begin is **The National Museum of Ireland** on Kildare Street for a well-designed archaeological collection featuring Bronze Age gold jewelry and Viking swords. The stars of the show are the "bog people" — preserved corpses of men who were killed (presumably sacrificed) and tossed into peat bogs during the Iron Age. The preservative qualities are remarkable. Dublin is home to St Patrick's Cathedral of course but much of Ireland's history can be read in **Christ Church Cathedral**, which dates back to circa 1030. The medieval crypt is full of treasures plus the belfry tour (11:30 a.m. and 1:15 p.m.) provides a beautiful view and an up-close look at the flying buttresses, as well as the chance to try bell-ringing. Dublin's booming culinary scene is found along Exchequer Street where The Green Hen has won many admirers with its combination of French atmosphere and Franco-Irish cuisine made with locally sourced ingredients. Try the pan-fried duck breast. Finally, while craft beer is certainly the popular new thing, a pint of "the black stuff" is still required drinking on any trip to Dublin. **The Guinness Storehouse** museum at the St. James's Gate brewery explains how the stout is made and how to pull a proper pint at the correct 45-degree angle and waiting 119.5 seconds before topping it off. Take it up to the Gravity Bar, where the 360-degree view of Dublin is worth lingering over.

Enjoy **Dublin** on your own or via **Azamara Shore Excursions®**.

AUGUST 30, MONDAY: WARRENPOINT, NORTHERN IRELAND (8:00AM / 8:00PM)

GOLF: Today play **Royal County Down**. Located in the town of Newcastle to the south of Belfast. Consistently ranked in the top 10 courses in the world, this is a true test of links golf set against the magnificent backdrop of the Mountains of Mourne. Host to the 2007 Walker Cup Match featuring a young local by the name of Rory McIlroy, and an all-star USA line-up.

SIGHTSEEING: A small town and civil parish in County Down, **Warrenpoint** lies on the northern shore of Carlingford Lough and is split from the Republic of Ireland by a narrow strait. The name Warrenpoint is thought to have originated from a family that lived there in the latter half of the 18th century. Referred to locally as “The Point”, Warrenpoint is renowned for its picturesque location, home to Narrow Water Castle which dates from the 1660s.

AUGUST 31, TUESDAY: BELFAST, NORTHERN IRELAND (8:00AM / IN PORT)

Belfast in the early 20th century had the largest and most productive shipyard in the world, gaining global renown with the launch of the RMS Titanic. Located on the slipways where she was built is a stunning new museum, opened in time for the 100th anniversary of Titanic’s only voyage and tragic demise. Today the city and riverfront are undergoing a 21st century transformation, but many exuberant Victorian and Edwardian buildings still sport the carved heads of kings and queens. As you explore the city, keep an eye out for “the murals.” These somewhat troubling freelance works appearing on building walls provide insight into the period known simply as “The Troubles.”

The Dunluce Course is as fine a links as you will find anywhere, with the 5th being a particularly memorable hole to a green hanging on the edge of a cliff. GOLF: Perched atop a cliff in a dramatic portion of Ireland, the links at **Old Head** is one of the world's most discussed courses as golfers appreciate not only its magnificent beauty but also the diverse strategic options in ever-changing winds. It remains a popular port of call today for cruise liners from all over the world in part due to the fact that Cobh was the last port of call for RMS Titanic. Cobh has remained largely unchanged since that fateful day in 1912 with brightly colored houses along streets that climb to the top of the hill which is crowned by the imposing **Cobh Cathedral**, St. Coleman's Cathedral with its carillon of 47 bells. On the waterfront there is a statue of **Annie Moore** who was the first person admitted to the United States through the new immigration center at Ellis Island on January 1, 1892.
